PRESS PRODUCERS

I would like to thank all of those who worked on and participated in our *Summer 2013 Season of Poetry* campaign to raise finances for this and two other volumes of poetry. Thanks to James Downs, Devon Peterson, Joyce Downs, and Dan Davis. Also, thanks to the three poets; Lyn Lifshin, Raphael Block and Joseph Milosch. And of course all of these people who contributed so generously to this effort. Small poetry press publishing is a joy to do but certainly cost money and these Producers, like in any artistic effort, are the ones who make it possible.

Thank you!

—John Peterson, Publisher
