Poetic Matrix Press was founded in the high mountain beauty of Yosemite in 1997 and has grown into a press that is producing full-length books as fine as any that can be seen on any bookshelf, in any bookstore or at any library. We are celebrating our 20 year Anniversary, 1997-2017, with an Anthology of our 45 authors and 60 books. We invite you to a presentation of this Anthology, *So Many Voices*, where a number of the authors, presented in its pages, will read.
